

Bauer Media Outdoor Belgium – Graphic Designer (Student or Freelance)

Your Mission

Are you passionate about Graphic Design and eager to experience a real rebranding project from the inside?

Join the Communication team at Clear Channel Belgium — soon to be Bauer Media Outdoor — and help redefine our new visual identity!

A unique opportunity to put your creativity to work for a brand in full transformation.

What you'll be doing

- Take part in rolling out our new branding across all communication materials
- Focus on rebranding all presentations used by our Sales teams
- Create impactful visuals to support and inspire our internal teams
- Contribute to the creation of micro-videos or animated digital content
- Get involved in managing our social media channels (if that's your thing!)
- Be a real creative support for the comms team on a daily basis

Your Profile

- Final-year Bachelor's or Master's student in Graphic Design
- Comfortable using Adobe Creative Suite (Illustrator, InDesign, Photoshop, etc.)
- Familiarity with Canva and PowerPoint is a plus
- Creative, resourceful, curious, and enthusiastic
- Able to work independently as well as part of a team
- Got a portfolio? We can't wait to see it!

What's in for you?

- fun, dynamic, and supportive work environment
- A deep dive into a company undergoing a full brand evolution
- Concrete, varied projects to sink your teeth into
- The opportunity to grow your professional skills
- Paid mission in line with the wage (if student)

Feeling excited?

We can't wait to meet you!
